

## Privacy Statement

### What information do we collect?

Teachers/Administrators

- email address
- name, job title, school address, telephone number

Students

- first and last name, date of birth, username, password,
- Information about game play, site navigation
- program results and when provided, notes, reference numbers, course codes, student email address, and gender may also reside on our server

### Why do we collect it?

- to identify student results to appropriate school board parties
- to provide students with information about their learning style
- to provide students with information and strategies that support their learning style

### How does LEARNstyle share your information?

- with our developer to perform services on the software
- with our developer and researcher to improve our service

### How does LEARNstyle use your email address?

- student email addresses are not used by LEARNstyle. They are an optional feature for use by teachers in resetting student passwords
- teacher and administrator emails are used by LEARNstyle to provide access to PULSE and for password resetting purposes
- teacher and administrator emails are used by LEARNstyle to provide customer service and support
- on occasion, teachers and administrators may receive information from LEARNstyle about updates, service enhancements and educational events and opportunities

## How can you limit use of your email address?

- If teachers and administrators want to limit the use of their email address outside of resetting their password, please contact us at [info@learnstyle.com](mailto:info@learnstyle.com) or call us at 1.866.324.9155

## Security

- We have taken all reasonable measures to protect your personal information.

## Cookie Usage

- As is common for websites, we collect information and data through the standard operation of internet servers and through the use of cookies
